Personalization Guide

Batesville offers a variety of ways to personalize a casket and tell a life story. Some features are designed for use with specific caskets, while others can be used with most any Batesville product.

LifeStories® Medallions & Memorial Keepsakes

Artfully crafted medallions displayed in the casket lid are an elegant way to tell a life story and provide a lasting tribute to a loved one.

LifeSymbols® Designs

A variety of engaging designs added to the corners of a casket reflect an individual's spirituality, relationships or hobbies.

LifeView® Panel

This specially designed panel accommodates personal photos or other precious memorabilia in the lid of the casket.

MemorySafe® Drawer

Display cherished keepsakes or place private messages and mementos in this built-in drawer.

Living Memorial® tree planting program*

When you purchase a Batesville casket or cremation product, a tree seedling is planted in a national forest as a living tribute and memorial to your loved one.

*Living Memorial program is not available with NewPointe® caskets or minimum cardboard containers.
